

CETEX PETROCHEMICALS LTD

*Q*uality, *S*afety, *H*ealth
and *E*nvironment Policy

We believe that implementing the best practices in Quality, Safety, Health and Environment will lead our business to success.

To achieve this we will

- **Determine our customer requirements and improve our performance to meet customer needs on a continuous basis.**
- **Adhere to all applicable statutory and regulatory requirements.**
- **Continually improve our people, process, products and services in a safe manner.**
- **Work towards prevention of pollution, occupational injury and ill health, loss of damage to property in all our activities.**
- **Create awareness on QSHE among employees, contractors and other interested Parties.**
